

ONSITE PROGRAM INFORMATION

Our Onsite Intensive Aphasia Treatment Program provides 25 hours of expert, individualized therapy every week over 4 weeks to help you communicate more effectively.

4

WEEK PROGRAM

Start your communication independence with a 4-week onsite intensive session. Your functional and personalized treatment addresses what is most important to YOU. Reading, writing, speaking and understanding are integrated each session so that your language strengths support your language weaknesses. Multiple therapeutic approaches allow for faster learning to help you get better faster.

\$5875
per week
