

ONLINE PROGRAM INFORMATION

Our Online or Hybrid Intensive treatment programs offer 60-110 hours of expert aphasia therapy over 6-8 weeks. Improve your communication skills and meet your personal goals from the comfort of your own home.

6 WEEKS ONLINE

60 hours (2 hours daily)

Focuses on learning a variety of activities including strategies, numbers, work skills, and technology use. Recommended for mild aphasia or very severe aphasia/apraxia. Requires a consultation.

\$2350 per week

HYBRID PROGRAM

110 hours

The best of both onsite and online therapy spread over 8 weeks. Two weeks at our facility (50 hours) to establish your personal treatment approach, then online therapy at home to continue working on your goals (6-week program).

Average weekly cost **\$3231**
