

THE APHASIA CENTER
INTENSIVE TREATMENT PROGRAM

ONLINE PROGRAM INFORMATION

Our Online Intensive Aphasia treatment program offers 60 hours of expert aphasia assessment and treatment over 4 to 6 weeks. Improve your communication skills and meet your personal goals from the comfort of your own home.

4 WEEK PROGRAM

60 hours (3 hours daily)
Introduces individualized therapy and strategies that target your strengths while improving weaker language skills. Recommended for persons with moderate to severe aphasia. Requires a consultation. \$2850 per week

6 WEEK PROGRAM

60 hours (2 hours daily)
Focuses on learning a variety of activities including strategies, numbers, work skills, and technology use. Recommended for mild aphasia or very severe aphasia/apraxia. Requires a consultation. \$1900 per week
